A more detailed step-by-step can be found on the following pages.

- 2  [Access the SEC DPS - Responsive Repairs, Voids & Planned Maintenance.](#)
- 3  Download and read all of our tender documents. Make note of any requirements which may apply.
- 4  Complete the online questionnaire - we'll ask questions regarding your accreditations, insurances and capacity.
- 5  Choose which Lot(s) you'd like to apply for and submit your response.
- 6  SEC will then review your submission and confirm your place on the DPS within 10 working days. If successful, you'll be able to take part in future related tender opportunities
